*****2017 TEXAS 4-H PHOTOGRAPHY CONTEST*****

SENIOR 4-Hers – this contest is for you and photos will be on display at State Roundup. Please see the attachment for more information. Photos are due to our office by **Weds., April 5th**.

Theme: For 2017 the theme is “Reflections”. These are photos shot off any natural or artificial reflective surface.

A well-executed shot will be able to show perfect symmetry or a slightly distorted shot. Examples of photographs in the theme would be, but not limited to, photos from lakes, a window pane, a mirror, or a polished/wax car. 4-H members are encouraged to be creative when thinking about reflections in everyday life and where they are seen.

Changes to rules for 2017. Photos must be 8X10 in size with a quality resolution. Over the past two years the majority of disqualification in the contest have occurred when the photography is too small to be viewed by the judge when downloaded from 4-H CONNECT. We can help you with us – feel free to contact our office!
