

#4H Fashion Show 2016

Fashion Show Script

On a 3x5 card (see below), submit a 30 to 50 word script that will be read at the Bi-County Fashion Show. The script needs to include and be in paragraph format:

1. Name and county of 4-H member
2. What he/she likes about 4-H
3. What was a community service project or activity he/she participated in during their clothing project; or state an interesting fact about him/her.

Example: Susie Clover is from Green County and she has been in the Clothing Project for 2 years. Susie likes participating in 4-H because she likes doing things with her friends. This year Susie's county group donated toiletry items to help people staying at the Ronald McDonald House.
