HORSE VALIDATION

All horses shown in 4-H Horse Shows must be validated! The Horse Validation period is: March 1, 2016-April 15, 2016 and is \$10.00 per horse. For validations completed April 16-May 1, 2016, the cost will be \$20.00 per horse. Validation and payment is required of ALL horses regardless if they were entered this year or last. Go to this link for detailed instructions http://animalscience.tamu.edu/wp-content/uploads/sites/14/2012/04/16_HorseValidationInstructions_Families.pdf

Being a member of Big 5 does not mean your horses are validated. Horses must be entered on 4-H Connect to be validated.
